Bridal Shower Honors Teresa Rachel

The home of Mrs. R. D. Harrison was the setting for a miscellaneous shower honoring Miss Teresa Rachel, bride-elect of Mr. Jerry M. Kirkland.

Mrs. Harrison greeted the guests and presented them to the honoree, Mrs. Willie Rachel, mother of the bride-elect, Mrs. Travis Kirkland.

Miss Rachel was the guest of honor at the shower. She is a 1974 graduate of Elba High School and is now attending Troy State University seeking a degree in Elementary Education.

The wedding is planned for Saturday, December 7, 1974 at 5:00 p.m. at the home of the bride's parents at 125 North Taylor Avenue with Rev. Mack King officiating. A reception will follow the ceremony. No formal invitations are being sent, but all friends are invited to attend.

Music is, of course, the primary thing. And how wonderful it is to hear the resident teen-ager grudgingly admit that "Back is Cool," to acknowledge that maybe there is a beatbeard hard rock and to hear him humming a classical tune. Current music is fine and we want our students to enjoy it, but we are elated when, through teaching, they learn to look appreciatively at other worlds. We are aware that our bandmaster has a classical music education surpassed by very few and we are grateful to the school board for making it possible for him to teach music theory and appreciation, something never before in our band program. The cultural enrichment to our children will be beyond price.

Of greatest importance to us, however, are the meaningful values learned and the character developed through participation in the band program. Self-discipline is the keynote. A bandmaster must be willing to sacrifice time, other activities and his own personal desires in order to complete the idea that he will do what it takes for the group but what fulfills his own selfish wishes. He learns that when he has pushed himself to the point of complete exhaustion he is capable of going through the show "one more time, and often as he nears the end of his high school days, he even desires to push himself harder to make that last supreme effort, knowing deep within himself that this is survival training. Where else in today's permissive world is he required to call forth every reserve of endurance and stamina and perform to perfection? Have you appreciated what it takes for the flag corps to stand at attention some fifteen minutes waiting for "The Star-Spangled Banner" to be played? Watch them. They do not move. Then try this at home. You'll clap for them next time. Did you know that last year in Ft. Walton at the contest one of our drum majors was stung three times by yellow jackets as he stood in the middle of the field? No one else knew it either. If they had he would have forfeited her trophy. The true bandman knows he must conquer himself to achieve his goal and he rejoices in the challenge.

Discipline then. Not only self-discipline but pride in group discipline. When the aim of every teen-ager seems to be to look like something left over from the last ram-page sale, "The Marching Tigers" travel in "Sunday best." When some bands are turned loose in motels to run barefoot through the corridors creating turmoil, "The Marching Tigers" are having fun, yes, but not creating a mess.

There are other things like dependability, promptness and initiative that are by-products of this program. Having learned early that the whole unit is no stronger than it's weakest point, each bandman has the awful, sinking sensation that his is the weak link. No one can correct it but him and so the learning begins. Every one of us has seen a child, eminently ill, struggle out of bed and into his clothes and with clenched teeth go to band practice. He does not worry about other things, but he goes to band practice. Dependability, the one thing we want them to develop.

How do the students feel about their leader, the man

mother of the groom, and Mrs. Fred Tillman, sister of the groom.

The guests were regaled by Miss Deborah Chappell. Serving party refreshments were Mrs. Dikes Weathers and Mrs. Rick Adkinson. The refreshment table was overlaid with gold linen and lace.

Hostesses for the occasion were Mrs. R. D. Harrison, Mrs. Coy Harrison, Mrs. Howard Rachel, Mrs. Mamie Harrison, Mrs. E. B. Hatcher, Jr., and Mrs. Grover Kelley.

NEWS from your PHARMACIST

By
Kris
Scorborough

Today, the aging, retired person makes up a greater segment of our population than ever before in history. This group of people naturally has more health problems than any other age class. This is due mainly to the fact that organs and bones have endured much usage and need to be treated with care.

This problem has been recognized and many organizations have made efforts to remedy the situation by providing special housing and facilities for these older persons, bringing these individuals together with people of their own age group. Housing these persons together makes it easier to employ personnel with specialized training to aid these aging people with their health problems.

Great strides have been made in medicine and health care. We are proud to be a part of a profession that aids humanity. Bring your prescriptions to our pharmacy for quick, dependable service.

Linda Coon has been chosen that special one for this week. She is the daughter of Mr. and Mrs. Lewis Wendall Coon. Linda thinks that her parents are the greatest!

Her subjects this year are ROTC, Mythology, Teachers Aid, Research, American History, and Business Math.

Linda's main interest is risk. She enjoys her classes this year. She enjoys being a senior. She also enjoys eating, sleeping, and weekends.

Linda is a member of the Color Guard, Drill Team, and a Student Council representative. She is also a Rifle Team sponsor. A very special honor she attained was being elected Homecoming Queen for 1974.

Elba High School is a very special school. Linda has ever attended and she wouldn't go anywhere else. She thinks it is great being a senior, but she is going to miss all of her friends when she graduates.

After graduation, Linda wants to go to college and become a nurse, but she doesn't mind where she goes as long as she can attend at this point.

Linda is a member of the New Haven Baptist Church. Linda is a very sweet and friendly girl, and we think everyone will agree that she is a very special person.

MANAGING EDITORS FOR THE YEAR: Tracy Deal, Marcy Nelson, Paul Nelson, Anita Spear and Paul White. Mrs. Sylvia Lowery-Adair.

November Editors: BILL FLOWERS, DARLENE WHITE, TRESA BAGGETT, SHELIA MILES, & SANDRA GRANT.

Editorial YOU'RE LUCKY IF YOU ARE PICKED ON

Have you ever said, "That teacher is always picking on me"? Have you ever stopped to think how lucky that makes you, that a teacher is interested enough to "pick" on you. By picking on you, do you mean she insists you do your work, that she seats you to the best of your advantage although you'd rather be sitting by a friend you could talk to or where you couldn't see the board? Do you mean that she expects you to pay attention in class when you'd rather think of something else? Do you mean that she wants you in class rather than goofing off somewhere else? If this fits your case, how very lucky you are!

NEW BETAS
Beta Club initiates for this year are: Nancy Helms, Gail Richardson, Margaret Py- from, Walter White, Charles Flowers, and Paul White.

Beta Club

The Zion Chapel Beta Club held a meeting Friday for the officers and the students who have been invited to join this year. The initiation was held October 30, and a candlelight induction ceremony was held on November 4. This year members will be required to dress in the style of the 1920s and gradewise must have all A's and B's.

SENIOR OF THE WEEK

Terri Wilson, daughter of Mr. and Mrs. John C. Wilson of Rt. 1, Elba, is Senior of the Week. One of the most active and hard-working students at Z.C., Terri holds memberships in the Beta Club, Pep Club, F.T.A., F.H.A., Student Council, and Annual Staff. She is Vice-President of the Senior Class and won the honor of Good Citizenship Girl of ZCHS. She also was chosen as Miss F.T.A.

Her favorite pastimes are sewing all those fabulous clothes she wears, cooking, reading, hair styling, bicycling, and listening to John Denver. She is an expert in sewing, cooking, and hair styling and could easily qualify as a professional.

Terri's pet peeve is people who see everyone else's faults and talk about them

where by looking at their own, they would see plenty.

What she likes about Z.C. is the spirit and pride we have in our school. She believes it is the unity and spirit that is going to make us #1. She likes the people and the friendliness that most people show toward each other. She believes ZC has the best teachers.

To improve our school, Terri believes that a new canteen and more buildings would help. But besides material things, she thinks that if everyone would try to live their own lives instead of everyone else's it would be a much better world.

Terri's future plans are to attend college at Troy State and she is undecided in what field she will choose. She also adds that she plans to just trust in God to see her through the rest of her life. Good Luck to an outstanding Senior and person, Terri Wilson.

Moments For Meditation

PRAYERS ARE THE STAIRS TO GOD. Prayers are the stairs. We must climb every day. If we would reach God, There is no other way. For we learn to know God When we meet him in prayer And ask him to lighten Our burden of care. So start in the morning And, though the way's steep, Climb ever upward Till your eyes close in sleep. For prayers are the stairs That lead to the Lord, And to meet him in prayer Is the climber's reward.

MY MOST EMBARRASSING MOMENT WAS.....

When I broke my tooth and had to go around with my mouth shut all day - Keith Stephens. The time when we left our left-overs on the table at a drive-in restaurant and the boss made us clean them up - Faye Smart. Learning that my P.E. clothes were in Dennis Dean's locker - Debbie Pyrom.

When Melinda told a girl I liked her brother - Anita McWaters. When Debbie P. punished me by putting my P.E. clothes in the trash can because of Melinda's crime - Kelsey Simmons. The Region 2 Area 3 title is on the line tomorrow night (Friday) when Geneva (7-1) tangles with Andalusia (8-0).

COUNTY ROUND-UP
The Enterprise Wildcats continued to dumbfound the Montgomery predictors by dropping Lee 8-8. The Wildcats were held scoreless in the first half, but jumped ahead 16-0 before Lee rallied with 3:12 left in the game.

The Wildcats have big games left with Selma and Dothan in their quest for a playoff berth.

The New Brockton Gamecocks chalked up their second win of the season last week by dumping the Zion Chapel "B" team 14-8. The Gamecocks completely dominated the game, and are on their way to being a solid football team.

AROUND THE STATE
The Carver Wolverines dropped their second straight game in losing 25-0 to Jeff Davis. The Wolves were once considered to have a good chance to win the State title, but now won't even win their city title.

Geneva tuned up for this week's showdown with Andy by thumping Slocomb 28-7. The Red Taps were undefeated, but the 24 power was no match for the 34 Panthers.

Eufaula clinched a playoff berth by trouncing a good Lanett squad 36-6. The Tigers have won four straight, and will meet the winner of the Andy-Geneva contest for the Region 2 title. McKenzie stunned play-off bound Brantley by dumping the Bulldogs 20-14 in overtime. Maybe Brantley was caught looking ahead to Zion Chapel.

Luverne's Crenshaw Christian Academy saw their dream of an unbeaten season vanish when they dropped their season finale to Hooper 27-14. The Cougar's were just no match for the defending AFSA champion Colts.

The Opa Bobcats tossed above 500 with a 28-13 win over lowly DeFuniak Springs. The Bobcats are 5-4, and a triumph over winless Dale County will give Coach Griffin's troops a winning slate.

The Florida Wildcats clinched the SAC 2A title by dumping Laverne 21-7. The Cats got off to a slow start, but are coming on fast, and may make the play-offs.

The Dothan Tigers made it six wins in a 26-6 win over Ozark. The Tigers are off this week, but next week (Nov. 15) will battle Enterprise for the Region Championship.

ELBA SLATE SLIPS TO 3-6.
The Tigers saw their record dip even lower Friday night with the 34-7 loss to Andalusia. Despite the lopsided loss, Elba didn't look all that bad.

Even though Andy did substitute quite freely in the second half, if it was possible to take away the Bulldogs' big second quarter, Elba would win 7-6.

The Elba offense was again guilty of making costly errors, which led to Andy scores. The Tiger's lost three fumbles, and Andy cashed in on two touchdowns. The Tigers hope to equal last year's record with a win over Troy, they must hold on to the ball.

Larry Phillips continued to show improvement as he gains experience. The freshman back has definitely got the potential to be a great runner, but must recover from his recent case of fumbles.

Reserve quarterback, Russ Cash, showed surprising speed on his 55 yard jaunt. The sophomore back was Elba's second leading rusher, despite seeing only limited action. If Cash was bigger, he might make a first-class running back.

Junior signal-caller, Max Fuller is showing improvement. Fuller showed poise by staying in the pocket, but continued to be off target with his passes. However, in defense of Fuller, he has never had much game experience before being "thrown in the fire" during mid-season. The junior signal-caller has definitely got the ability to go a good prep quarterback.

On defense, freshman noseman James Smith caught this viewer's eye with his exceptional quickness. The freshman had played in a junior game Thursday night, and made his varsity debut against one of the state's better 3A teams. Although Smith was handled on several occasions, he showed great desire by coming back and playing a good defensive game.

Other players turning in a good defensive performance were David Smith and Bryan Grimes.

Smith, a junior linebacker, is showing improvement at his linebacker position, and could develop into a fine player with experience. Smith is also the Tiger's punter, and Smith's blocked punt wasn't added in, he would have averaged 42 yards per boot.

Grimes, a senior lineman, showed great effort in making 8 stops and assisting on two others. Grimes has played well on both offense and defense all season long.

MOVE OVER O. J. HERE COMES L. J.
Who is the nation's lowest paid league runner, among professional football players? Wrong! The correct answer is a 21-year old woman in Toledo, Ohio. She has played in two years has rushed 173 times for 2,174 yards, and has scored 43 touchdowns.

Ms. Jefferson is the 5' 5" 135 lb. halfback for the Toledo Troopers of the National Women's Professional Football League. This season, Ms. Jefferson has rushed 28 times for 593 yards, returned five kicks for 203 yards, and has scored 10 touchdowns. All this has been accomplished in the Troopers' first "3" games.

Ms. Jefferson has done all this for a salary of only \$25 per game.

So, look out O. J., L. J. is right behind you!

PRP PICKINGS
The crystal ball's reception continued clear, and came through on 22 of 23 picks for a sparkling 88%. Maybe this week we'll hit the magic 100% plateau.

ELBA-TROY
There are 3 reasons the Trojans should win, (1) they're playing on their home field, (2) it's their homecoming, (3) they only lost to Andalusia by one point, we lost by 27. I never could add!

ELBA 13 TROY 6
ZION CHAPEL-HIGHLAND HOME
The Rebels are only one game away from a perfect season. They've come too far to blow it now!

The Bobcats are only one win from a winning slate. They should blast the winless Warriors.

The Wildcats might be looking ahead to Dothan, but should be able to whip Selma without much trouble.

JR. TIGERS FINISH UNBEATEN, DROP TROY, 24-6

The Elba Junior High Tigers capped off an unbeaten season Thursday night by dropping the Charles Henderson Jr. High Trojans 24-6, in Troy.

The win gives the Tigers a 7-0-1 slate for the season. The only mar for the otherwise perfect season was an 8-8 tie in the second quarter when Johnny Dyess swept in from 10 yards out to cap a 57 yard drive.

Following a fumble, Elba had a second down and 14 at the Troy 47, but firework were about to start.

Ken Martin optioned for a 15 yard gain, and after Dyess hit for three, Martin passed complete to Dyess for 19 yards to the Trojan 10-yardline. From there Dyess dashed in, and Elba led 12-6. The two-point conversion failed, but the half ended moments later with Elba ahead, 12-6.

The third quarter was eventful until late in the stanza when Elba started a 20-yard drive to pay it.

After the start, Tiger defense held Troy on the Trojan four-yardline. The Trojan punter booted a 30 yard punt to the 40. However, Tiger speedster Johnny Dyess fielded the punt and rammed it to the Troy 20-yardline.

Johnny Dyess hit for seven yards, followed by an eight-yard run by James Smith to the five yardline. Smith then burst up the middle for five yards and the score. The conversion again failed, but Elba had stretched the lead to 18-6.

Elba's final score was set up when defensive back Johnny Dyess picked off a Trojan aerial and returned it to the Trojan 28. Dyess hit for five, followed by a 21 yard gain by Smith to the Troy two yardline. Smith then bulled over for his third score of the night, and Elba opened up a comfortable 24-6 lead.

Troy drove deep into Elba territory late in the game, but Dyess again picked off a Trojan pass, and Elba had the lead 35-6.

In the passing department, Martin hit on 2 of 3, good for 35 yards. Both passes were caught by Johnny Dyess.

The Tigers were led defensively by Johnny Dyess, Randy Grimes, and James Smith. Dyess picked off two interceptions, Grimes recovered a fumble to stop a Troy drive, and Smith made his usual bevy of tackles.

Gamecocks Stun Rebel 'B's'
14-8

The New Brockton Gamecocks built a 14-0 halftime lead, then hung on to upset the highly rated Zion Chapel B team 14-8, last Tuesday night at Zion Chapel.

The Gamecocks' wingbacks New Brockton squad a 2-5 record in their initial year of competition.

New Brockton jumped in front 6-0 in the first period when the Gamecocks' Bruce Stevens picked up a Rebel fumble and rammed 44 yards for the game-winning score. The pass-for-two was unsuccessful, but with 5:16 left in the opening stanza New Brockton was in front 6-0.

The Gamecocks' second tally came on a 20 yard pass play following an 85 yard drive. The big play in the drive was a 47 yard pass play from Stevens to Robert West, who was intercepted by Robert West. The Gamecocks score came when QB Bruce Stevens again hit Westerling, the pass covering 20 yards and the touch-down.

Stevens passed complete to Dickie Edwards for the two point conversion, and with 2:46 left in the half, New Brockton led 14-0.

The half ended moments later with the score: New Brockton 14, Zion 0.

The third quarter was scoreless, but Zion Chapel wasted little time in getting on the board in the final stanza. The Zion Chapel only score of the evening came after the Rebels moved 34 yards in only 3 plays. On Tim Sanders fired a pass to a wide open Randolph Moultrie in the end zone. The play covered 31 yards. Sanders sneaked in for the two point conversion, and the New Brockton Rebels threatened late in the game, when they drove to a first down at the Gamecock 15 yardline with 58 seconds left in the game.

The Rebels' quarterback was hit trying to pass, and Zion Chapel used their final time. On the following play, the Rebel quarterback was again hit behind the line, and time ran out on Zion Chapel with the ball on the Gamecock 21.

Elba Wingback Tommy Cooper (87) Finds Route Blocked By Andy's Gary Little (21)

Dogs Breeze By Tigers 34 - 7

The Andalusia Bulldogs erupted for four second period touchdowns to take a 28-0 halftime lead, then coasted in to pin a 34-7 loss on the Elba Tigers.

The win drops Elba's slate to 3-6-0, while Andalusia remains unbeaten with a 8-0-0 record.

The Tigers came out ready to play, and held the vaunted Andy offense scoreless in the opening stanza.

Andalusia had a chance to tally in the first period, when after blocking an Elba punt, the Bulldogs were in business at the Elba 16 yardline. The Tiger defense stiffened, however, and on a big fourth down play, stopped the Bulldog runner short of the first down marker.

The Andy defense kept the Tigers in a hole, and Dave Smith hooked a 45-yard punt to give Andy the ball on their 46.

From there it took the Bulldogs six plays to hit pay dirt. The big play in the drive was a 15-yard penalty against the Tigers. The game's initial score came when Andy workhorse Bobby Johnson barreled over from the 1-yardline on a fourth-and-goal situation. Harris Rabren's PAT was true to the mark, and with 0:48 left in the half, Andy led 7-0.

Andy upped their lead to 14-0 at the 3:36 mark when the Bulldogs drove 67 yards in 10 plays, before the Andy quarterback, Lyn Shreve bulled over from 4 yards out to tally. During the drive, Shreve hit on 3 of 3 passes for 35 yards. After Rabren's kick was again good, the Bulldogs led 21-0 with only 0:55 seconds left in the half.

Reduction In Work Announced By Dorsey

George L. Collier, President of Dorsey Trailers, Inc., announced Monday a reduction in the work force at the Elba plant. Collier stated that the layoff was caused by cancellation of orders already booked and the general decline in the overall economy.

He stated that cancellations began approximately four weeks ago but the company had thought that it could successfully offset these losses with new sales. All attempts at replacement orders having failed, the company reluctantly was forced to reduce the work force to coincide with orders on hand. The reduction in force affected approximately 150 employees.

"All By Myself," Says 5 Year Old

Young Chris Blass, Jr., 5 year old son of Mr. and Mrs. Chris Blass, is shown with a 6 lb. speckled trout he caught last weekend while fishing at Panama City.

The youngster reported he was fishing with shrimp and caught the big fish "all by myself". He also reported catching a 5 pounder and about 6 smaller fish.

Girl Scout Open House On Sunday

The Girl Scout Troops of Elba will have Open House at the "Hut" on Sunday, November 17, between the hours of 3 and 4:30 p.m. The public is invited. The Girl Scout Hut is located on Newton St. near the stadium, adjacent to the Vocational Building. It is a small room with the Girl Scout Emblem, a gold trefoil, mounted on the front. Parents of scouts and those who do not have a Girl Scout card are invited to come.

In 1964, the present home of the Girl Scouts was built to replace a small wooden structure which had formerly served the program. An earnest effort was made to enroll more girls and establish the program permanently. From these efforts the first group of girls to reach the level of Senior Scouts in Elba was graduated last year.

Through service of dedicated leaders and interested patrons, the Scout program has been kept alive. However, during the last few years the Hut has been somewhat abandoned—partially due to construction work on the school ground. Scouts met in local churches and classrooms of the different schools during this period. Plans for the future included "returning to the Hut."

The building has now been completely renovated and girl scouts are meeting back home.

Sharpless Named To Council

John W. Sharpless has been appointed by the Elba City Council to fill the vacancy on the council. The empty seat was created when Councilman Sam Sawyer was elevated to the position of Mayor, replacing Owen Ziglar, who resigned. Sharpless was named to the position by a unanimous vote after an executive session during which a straw vote was taken and Sharpless was called and asked if he would accept the position.

In other action the council appointed Jackson W. Stokes to fill the position of City Recorder. This was also done with a unanimous vote.

Coffee County Arts Alliance To Meet

The new Coffee County Arts Alliance will meet on Tuesday, November 19 at 7:00 p.m. in the multi-purpose room of Enterprise State Junior College.

All civic organizations, clubs, and governmental and educational agencies throughout the county, as well as business firms interested in promoting the Arts, are invited to send representatives to the meeting and to join the Alliance, according to Mrs. W. H. Smith of Enterprise, president of the CCAA Board of Directors.

At the November 19 session, plans for a county-wide Arts Festival to be held in April at New Brockton will be announced and the Community Liaison Committee of the Alliance will be set up.

Entertainment will be provided by the E.S.C. Singers, under the direction of Dr. Robert E. Bicknell.

Two Elba residents, Mrs. George L. Collier and Mr. L.S. Rainer, Jr. are serving on the Board of Directors of the Alliance. Miss Jeannette Garrett, as a member of the executive board of the local Branch of American Association of University Women, has also assisted in establishing the Arts Alliance.

TSU Students Canoe River

The trip was without mishap until docking at the River Park in Elba. Sandra Hicks and Susan Moncrief took an unplanned swim when their canoe capsized dumping them ungracefully into the cold water.
